Bus Éireann Culture Night Buses will leave approximately every 20 minutes from the CULTURE STOPS at City Hall. There are three routes on an orbital route serving the venues.

## BY FOOT

The majority of the venues are within easy walking distance of each other. The map we have included will show you where to go and how to get there.

## BY CAR

There are many city centre car parks, as well as the Park & Ride service. Please check the closing times before you leave your car.

## BY BIKE

See our special events for details of the cycling tour, or simply take to the streets

## BY WATER

Join Meithal Mara in rowing exhibitions on their Bantry Longboat on the north channel of the Lee or visit the Irish Navel vessel LE Ashling docked at the Port of Cork. See our special events for more details
