

# COMHAIRLE CATHRACH CHORCAÍ

CORK CITY COUNCIL

## IMPORTANT WATER NOTICE

Essential engineering works to the water supply network in the Bishopstown area will be carried out on Tuesday, 28th July 2009 from 09:00hrs until 13:00hrs.

Properties in and around the following areas will experience a drop in pressure or a possible disruption to the supply:

**Curraheen Road**

**Halldene Area**

**Bishopstown Road**

**Wilton Road**

**Uan Var Area**

**Rossa Avenue**

**Melbourn Road**

**Firgrove Area**

**Leesdale**

**Woodbrook Area**

**Model Farm Road**

**Rossbrook**

**Donscourt**

and any other areas adjoining these streets.

Every effort will be made to keep the disruption to a minimum. Please ensure all taps and appliances are turned off for the duration of the disruption. Some discoloration to the water supply may also occur. This discoloration is harmless, and will clear in a short time. Please check the clarity of the water at the kitchen tap before operating drink vending machines, washing machines, dishwashers etc. Please help us by informing your neighbours who may not read this notice.

**Cork City Council regrets any inconvenience caused to consumers as a result of this work.**

**Water Department,  
City Hall.**
