# DOWNSIZING SCHEME FOR THE ELDERLY

- *Are you aged 60 or over, and own your own home?*
- *Are you a Cork City Council tenant aged 60 or over?*
- *Do you find that your home is too big for your needs?*

## WE MAY HAVE THE SOLUTION

Cork City Council has developed a policy where persons over the age of 60 who own their own home, and who find their dwellings too large for their needs, may request the Council to purchase their home in return for a life long tenancy in a senior citizen dwelling

Cork City Council also aims to facilitate elderly tenants who wish to move to specialised accommodation for the elderly

As well as existing elderly person dwellings, new properties are also currently under construction across the City
