

FREE PARKING at the PARK & RIDE FOR ELECTRIC VEHICLES

CORK CITY COUNCIL in partnership with **DRIVE4ZERO** is delighted to announce **FREE PARKING** at the **BLACK ASH PARK & RIDE**

What is DRIVE4ZERO?

Drive4Zero is an exciting new initiative to promote Electric Vehicles in Ireland. There has never been a better time to consider driving an electric car. The technology, infrastructure, incentives and value all combine to make driving an Electric Vehicle (E.V.) a compelling proposition.

What's involved?

Cork City Council will provide **50 free parking passes** to suitably qualified Electric Vehicle owners to park their Electric Vehicles in a designated area at the Black Ash Park & Ride.

Cork City Council will **validate** your parking ticket **upon return** to the Park & Ride.

Where?

At the **BLACK ASH PARK & RIDE**, Off the South Link Road.

How?

To register simply contact:

- drive4zero@corkcity.ie
- phone the Transportation Division, Cork City Council, City Hall on 021-4924429.

Please note application forms are available at the Black Ash Park & Ride.

Completed Applications will be accepted by Park & Ride Staff.

Terms and conditions apply. To find out more about this Free Parking Initiative please visit www.drive4zero.ie or contact drive4zero@corkcity.ie
