16/36741	Apple Operations Europe	P	29/01/2016	permission for an extension to an existing office within their existing campus. The proposed office building extension is 4 storey and includes a pedestrian link to bridge to an existing apple building; atrium roof lights, a roof top plant room; a screened roof to plant area and roof top solar panels. The proposed site development works include the construction, relocation and replacement of the existing generator enclosure to new single storey generator building with rooftop terrace and all associated landscaping, fencing, signage and site development works. The proposed development includes modifications and alterations to the front entrance of the existing office building. Parking for the proposed development will be provided by means of an extension to the existing car park. The car park extension is partially located on lands within the functional area of Cork County Council and a separate planning application will be lodged for this part of the development. Access to the proposed office building and car park will be via the existing entrances at Tadgh Barry Road. Hollyhill Industrial Estate Tadgh Barry Road Holyhill Cork
