

CORK CITY MARATHON 2024

FULLY SOLD OUT:

The Marathon, Half Marathon and 10K are now completely sold out.

No further tickets will become available. Do not buy tickets online off people you do not know.

Please do not email us looking for tickets.

Ticket Transfers:

Transfers have now closed on our ticketing website however if you know someone who can no longer do the race and is willing to transfer the ticket to you get that person to email info@corkcitymarathon.ie and we will facilitate this transfer up **until Friday 17th May 5pm.**

Do not pay this person the price of the ticket until you get an email from us saying the ticket has been transferred to you.

Transfers are not possible after 17th May 5pm so please don't email us after this deadline.

Outside of this do not run with someone else's number as this causes major issues for medics and race organisers.

Race Distance Change:

You can no longer change race distance as all tickets are sold out in each race. However if you can find someone to directly swap with up until 17th May 5pm email us at info@corkcitymarathon.ie and we will facilitate this. This must be a direct swap only. Please do not email us a request to swap after this final deadline.

Please do not email us looking for tickets as they are sold out and we can't help you.
