How and ever the festival name should promote culture inclusiveness from the outset. This new festival should/would ideally run over a weekend 2/3 days perhaps towards the end of summer. The (Mixed Culture Festival) should/will provide a platform for the many different Diasporas from far and wide that have now made Cork City their home. (Proposer: Cllr. K. O’Flynn 19/101)

Roads & Transportation Functional Committee

17.4 **CHILDREN AT PLAY SIGNS AT FARRANLEA GROVE, MODEL FARM ROAD**

‘I propose that children at play signs be erected in this area due to the volume of traffic and the number of young families now in the area.’

(Proposer: Cllr. P.J. Hourican 19/118)

Roads & Transportation Functional Committee

17.5 **SAFE CYCLE WAYS**

‘That Cork City Council construct safe cycle ways from Glanmire to Dunkettle and from Kent Station to Dunkettle to connect with the cycleway to Carrigtwohill recently considered by Cork County Council. Such cycleways would greatly aid workers and residents of Mayfield and Glanmire who work on Little Island. It makes perfect sense.’

(Proposer: Cllr. T. Brosnan 19/129)

Roads & Transportation Functional Committee

17.6 **SIGNAGE AT MAGLIN GROVE AND ARAGLEN COURT, DEANROCK**

‘That City Council would erect proper signage at the entrances to Maglin Grove and Araglen Court, Deanrock directing people that are seeking to make deliveries or calling to the bungalows at Ilen Gardens. As these properties are not accessible from the cul de sac at Ilen Court where residents hearts are broken from people calling to their doors seeking how to access Ilen Gardens.’

(Proposer: Cllr. H. Cremin 19/130)

Roads & Transportation Functional Committee

17.7 **LITTER BIN AT NEW BISHOPSTOWN PLAYGROUND**

‘That City Council would put in place a litter bin in the vicinity of the new Bishopstown Playground at Murphy's Farm, Bishopstown.’

(Proposer: Cllr. H. Cremin 19/131)

‘That traffic calming measures be installed at St Finbarr’s Park, Glasheen which is being used as a rat run to avoid junctions.’

(Proposer: Cllr. M. Finn 19/139)

**Roads & Transportation Functional Committee**

17.10 **SPEED RAMPS ON MELBOURN ROAD**

‘That speed ramps be provided on Melbourn Road to slow speeding traffic and to make it safer for pedestrians.
That a new pedestrian crossing be provided near junction Melbourn Road and Woburn Drive to allow safe crossing by pedestrians.’

(Proposer: Cllr. P.J. Hourican 19/144)

**Roads & Transportation Functional Committee**

17.11 **SPEED CONTROLS ON BALLINLOUGH ROAD**

‘That speed controls be put in place at either side of O'Driscolls shop on Ballinlough Road. It is a congested area with cars and delivery trucks parked and lots of pedestrians crossing over and back from the shop all the time. Many of these pedestrians are vulnerable road users such as primary school children and older residents. Cars travel through this busy junction every day without slowing down. This is effectively the heart of Ballinlough Village and a hub for pedestrians and the fact that children and older people cannot safely cross reduces their quality of life.’

(Proposer: Cllr. K. McCarthy 19/148)

**Roads & Transportation Functional Committee**

(Proposer: Cllr. T. Brosnan 19/150)

Roads & Transportation Functional Committee

MOTIONS

BUS SERVICE ALONG BANDUFF ROAD

‘I call on the Council to work with Bus Éireann with a view to extending the bus service along Banduff Road, between Scoil Cara at the junction of Old Youghal Road, and the Fox and Hounds bar in Ballyvolane. In addition, the Council should consider the construction of bus stops and related infrastructure, such as the laying of footpaths and widening of the road as deemed necessary for safety. The population of the Banduff Road area had grown significantly over the last few years, and there are now hundreds of homes in the estates along the road, which now has a population of well over 1,000 people. In these days when the City Council and others are trying to promote the use of public transport instead of clogging up the city with cars, it only makes sense that bus services be extended to where the population exists. Banduff Road is such an area and I am calling for the extension of the Bus Éireann service there.’

(Proposer: Cllr. T. Tynan 19/147)

STATUS BLACK ESCALATION AT CORK UNIVERSITY HOSPITAL

‘That Cork City Council writes to the Minister for Health Simon Harris TD expressing its serious concerns at the recent unprecedented status black escalation at Cork University Hospital (CUH) which Council believes illustrates the need for urgent action within the health service.’

(Proposer: Cllr. M. Nugent 19/152)
