Shandon Street & Leitrim Street Painting Grant Scheme

A Cork City Council incentive
to upgrade city buildings

What area is eligible?

The scheme area covers the area bounded by Shandon Street, Cathedral Street, North City Link Road, Leirim Street, Hardwick Street, Bridge Street, Camden Place and includes all the minor streets and lanes within (See Map).

What works are eligible?

The scheme covers painting and minor repair works to the external fabric of buildings, such as rendering, joinery, shopfronts, signs, fascias, soffits, windows, gutters and downpipes, etc. Other works will be considered on their merits such as roof repairs.

How much can I get?

The grant will cover 50% of the cost of works up to €1,250. Amounts granted will vary depending on the number of applications received and the identified need of each. In the case of corner buildings (with two frontages/ facades onto the street), a grant of up to €2,500 may be considered, providing sufficient funds are available following the assessment of all valid applications received.

Eligible Works	Grant for Contracted Work	Maximum Amount	Grant for Applicant Provided Labour
Include cleaning, painting, repair and/or replacement, of masonry, windows, joinery, guttering, etc...	50%	Up to €1,250	Up to €500 for materials

The City Council reserves the right to offer grants in excess of the stated maximums in exceptional circumstances, where the works to the building are considered to be of significant benefit to the area.

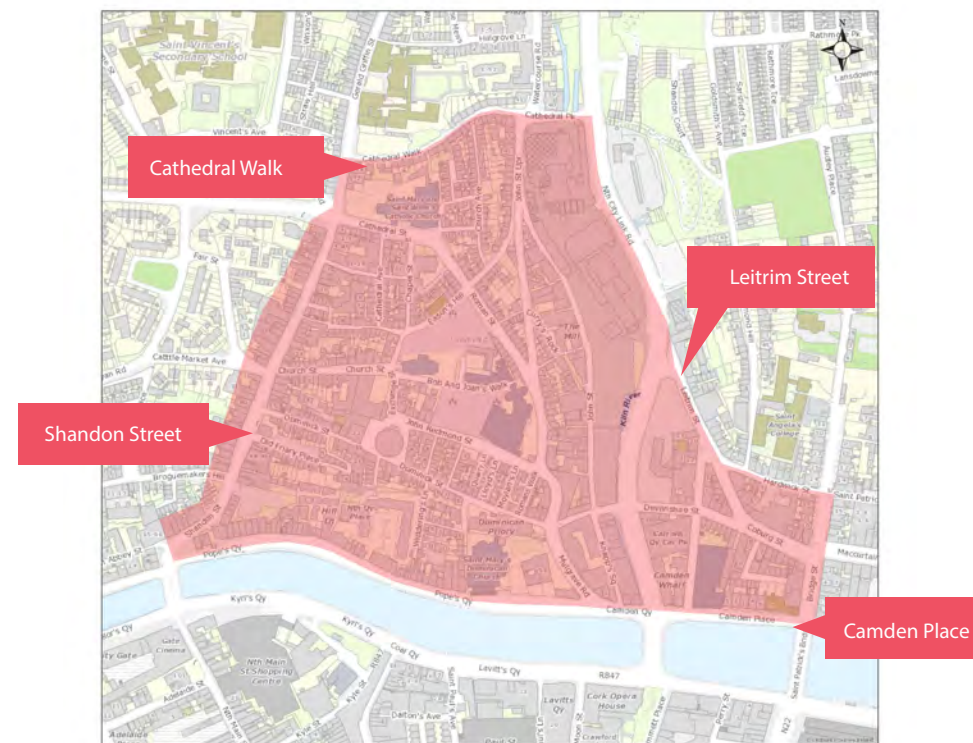

How are grants allocated?

Grant allocations will be made on a competitive basis according to the benefit of the project to the area as a whole. A scoring system will evaluate applications using criteria such as the condition and visual appearance of the building; its prominence and location; and its protection status.

How do I apply?

Building owners who wish to apply for the grant are required to return a completed application form with three quotations (itemised) for the required works from tax compliant contractors, to Planning Policy Section, City Hall, Cork City Council, Anglesea Street, by not later than **4pm, Tuesday 30th April 2019**.

Failure to submit three legitimate quotations by 30th April 2019 will invalidate application.

Shandon Area (detailed maps available on Cork City Council website)

Application buildings will be inspected and shortlisted in accordance with the scoring criteria. Applicants will be notified of decisions by **Friday 10th May 2019**.

Following selection, successful applicants will be required to complete works and submit payment claims by **28th July 2019** in order to secure grant funding. Claims for the cost of materials must include detailed/ itemised receipts.

Grant funding which has not been availed of or claimed by 28th July 2019 will be re-allocated.
