In this report 'the Act' means the Planning and Development Act 2000 (as amended) and 'the Regulations' means the Planning and Development Regulations 2001 (as amended), unless otherwise indicated.

### 1. Requirements for a Section 5 Declaration

Section 5(1) of the Planning and Development Act 2000 as amended states:

*5.—(1) If any question arises as to what, in any particular case, is or is not development or is or is not exempted development within the meaning of this Act, any person may, on payment of the prescribed fee, request in writing from the relevant planning authority a declaration on that question, and that person shall provide to the planning authority any information necessary to enable the authority to make its decision on the matter.*

The requirements for making a section 5 declaration are set out in the Act.

### 2. The Question before the Planning Authority

In framing the question to the planning authority, the applicant states in Q2 of the application form:

*Is the construction of as 24sq.m single storey extension domestic extension at No.66a Evergreen Road, Cork exempted development?*

### 3. Site Description

The property in question is an existing 2 storey mid-terrace dwelling with first floor accommodation over a ground floor level.

### 4. Planning History

No known planning history.

## 5. Legislative Provisions

### 5.1 The Act

#### Section 2(1),

*"works" includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.*

#### Section 3(1),

*In this Act, "development" means, except where the context otherwise requires, the carrying out of any works on, in, over or under land or 'the making of any material change in the use of any structures or other land'*

#### Section 4(1)(h),

*The following shall be exempted developments for the purposes of this Act-development consisting of the carrying out of works for the maintenance, improvement or other alteration of any structure, being works which affect only the interior of the structure or which do not materially affect the external appearance of the structure so as to render the appearance inconsistent with the character of the structure or of neighbouring structures;*

#### Section 4(2),

*Section 4(2) provides that the Minister may, by regulations, provide for any class of development to be exempted development. The principal regulations made under this provision are the Planning and Development Regulations 2001-2013.*

#### Section 5(1),

*(See section 1 of this report)*

#### Section 177U (9) (screening for appropriate assessment)

*In deciding upon a declaration or a referral under section 5 of this Act a planning authority or the Board, as the case may be, shall where appropriate, conduct a screening for appropriate assessment in accordance with the provisions of this section.*

### 5.2 The Regulations

#### Article 6 (1)

*Subject to article 9, development of a class specified in column 1 of Part 1 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column.*

#### Article 9 (1)

*Development to which article 6 relates shall not be exempted development for the purposes of the Act*

*–*  
*(a) (i) if the carrying out of such development would... contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act,*

*(a) (viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,*

## 6. DEFINITION OF WORKS/DEVELOPMENT

The question *"Is the construction of as 24sq.m single storey extension domestic extension at No.66a Evergreen Road, Cork exempted development?"*

This building is not a protected structure, nor listed on the NIAH, but is located within the designated South Parish Architectural Conservation Area.

### 6.1 Development

The first issue for consideration is whether or not the matter at hand is 'development'.

'Development' as defined in the Act (3)(1) comprises two possible chief components: *'the carrying out of any works on, in, over or under land', or 'the making of any material change in the use of any structures or other land'*. In order to ascertain whether or not the subject use is considered to be development as so defined, consideration must first be given to whether any works on, in, over or under land have or will be carried out, and secondly to whether any material change in the use of any structures or other land have or will take place.

'Works' is defined in section 2(1) of the Act as 'the carrying out of any works on, in, over, or under land' including 'any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal, and in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.'

The question refers to the "construction" of a rear extension. These works have already been undertaken. The proposal can be defined as works. As a follow on, such works do come under the definition of development. The proposal is therefore "development" as per the definition of the Planning and Development Act 2000 (as amended).

## 6.2 Exempted development

The next issue for consideration is whether or not the matter at hand is exempted development. The table below provides a comparative assessment of the scheme.

| Schedule 2 Part 1, Class 1 Planning Regulations (2001 as amended)                                                                                                                                                                                                                                                      | The Extension onto No. 66a Evergreen Road                                                                                                                                        |

| 1. (a) Where the house has not been extended previously, the floor area of any such extension shall not exceed 40 square metres.                                                                                                                                                                                       | The house has not previously been extended.                                                                                                                                      |
| 2. (a) Where the house has been extended previously, the floor area of any such extension, taken together with the floor area of any previous extension or extensions constructed or erected after 1 October 1964, including those for which planning permission has been obtained, shall not exceed 40 square metres. | The overall floor area of the extension to the rear is 24 sq.m.                                                                                                                  |
| 4. (a) Where the rear wall of the house does not include a gable, the height of the walls of any such extension shall not exceed the height of the rear wall of the house.                                                                                                                                             | The overall height of the rear extension is from 3.2m to 4m (as there is a higher section to the rear most aspect of same). The overall height of the two-storey dwelling is 7m. |
| (b) Where the rear wall of the house includes a gable, the height of the walls of any such extension shall not exceed the height of the side walls of the house.                                                                                                                                                       | The height of the walls of the extension do not exceed the height of the rear wall of the house.                                                                                 |

| 5. The construction or erection of any such extension to the rear of the house shall not reduce the area of private open space, reserved exclusively for the use of the occupants of the house, to the rear of the house to less than 25 square metres. | The extension built does not reduce the area of private open space to the rear of the house to less than 25sq.m                                                                                                                                                                                                                                                                                                  |
| 6. (a) Any window proposed at ground level in any such extension shall not be less than 1 metre from the boundary it faces.                                                                                                                             | <p>Apart from the large glazing to the rear which is 8.6m from the rear boundary it faces, the other windows of the extension mostly look into the site itself and into an internal courtyard. There is one element of glazing – the link corridor which faces a side boundary. This is 2.8m from the boundary it faces.</p> <p>The ground floor windows are not less than 1m from the boundaries they face.</p> |
| 7. The roof of any extension shall not be used as a balcony or roof garden.                                                                                                                                                                             | The rear extension is not being used as balcony, nor can it be.                                                                                                                                                                                                                                                                                                                                                  |

Based on the above, it is considered that the built flat roofed, single storey, rear extension comes within the parameters set out under the exempted development planning regulations.

## 7. ENVIRONMENTAL ASSESSMENT

### 7.1 Screening for Environmental Impact Assessment

Having regard to the contents of Article 103 (as amended by Article 14 of the Planning and Development (Amendment) (No 3) Regulations 2011) and Schedule 7 of the Planning and Development Regulations 2001 (as amended) it is considered that the proposed development by reason of its nature, scale and location would not be likely to have significant effects on the environment. Accordingly, it is considered that an environmental impact statement is not required to be submitted.

### 7.2 Screening for Appropriate Assessment

Section 177U (9) of the Act requires planning authorities to screen applications for a section 5 declaration for appropriate assessment. The provisions of the *Habitats Directive*, the *Appropriate Assessment Guidelines for Planning Authorities 2009* (revised 2010) and the Act are noted. The relevant European sites are the Cork Harbour SPA (site code 004030) and the Great Island Channel cSAC (site code 001058). Having regard to the location of the proposed development site relative to these European sites and related watercourses and to the nature and scale of the proposed development it is considered that the proposed development would not affect the integrity of the European sites referred to above. Accordingly, it is considered that appropriate assessment is not required.

## 8. CONCLUSION

Based on the above, it is considered that the built 24sq.m flat-roofed, single-storey, rear extension comes within the parameters set out under the exempted development planning regulations.

## 9. RECOMMENDATION

In view of the above and having regard to —

- Sections 2, 3 and 4 of the Planning and Development Act 2000 (as amended), and
- Article 9 and of the Planning and Development Regulations 2001 (as amended),
- Class 1 of Schedule 2 Part 1 of the Planning and Development Regulations 2001 (as amended),

It is considered that *"the construction of as 24sq.m single storey extension domestic extension at No.66a Evergreen Road, Cork exempted development?"* Is **Development** and is **Exempted Development**.

Dear Sir/Madam

**Re – Application for Section 5 Declaration in relation to extension at 66a Evergreen Road, T12F7XV, Cork City.**

We act on behalf of our client Billy O'Mahony who is seeking confirmation of the exempted development status of the extension to his dwelling on Evergreen Road, Cork. The single storey extension, constructed in 2011, measures only 24m<sup>2</sup> and the retained external amenity space is 56 m<sup>2</sup>.

We attach the following documentation in support of our client's application –

- 1 copy of Covering Letter.
- Application Fee cheque - €80 [Section 5 Declaration Application].
- 2 copies of - Section 5 Declaration Application Form [inc. original].
- 2 copies of - 2D Drawings set including Location Map, Site Layout Plan, Plans, Sections and Elevations.

We trust that the information submitted is sufficient to adjudicate on our Client's application, but please do not hesitate to contact us if you have queries.

Yours sincerely
