Commission Order
ABP-322371-25

Planning and Development Act 2000, as amended

Planning Authority: Cork City Council

Planning Register Reference Number: R91825

WHEREAS a question has arisen as to whether the temporary change of use of the basement, ground, first, second and third floors of the cube building from office to residential accommodation for International Protection Applicants, as per the provisions of Class 20F of Part 1 of Schedule 2 of the Planning and Development Regulations 2001, as amended, at The Cube Building, Monahan Road, Ballintemple, Cork is or is not development or is or is not exempted development,

AND WHEREAS Cherryinn Limited requested a declaration on this question from Cork City Council and the Council did not issue a declaration,

AND WHEREAS Cork City Council referred the matter to An Bord (Coimisiún) Pleanála for consideration on the 24th day of April, 2025,

AND WHEREAS An Coimisiún Pleanála, in considering this referral had regard to:

- (a) Sections 2(1), 3(1), 4(1)(h) and 181(1)(a) of the Planning and Development Act 2000, as amended,
- (b) Article 6(1) and Article 9(1) of the Planning and Development Regulations 2001, as amended,

- (c) Class 20F of Schedule 2 Part 1 of the Planning and Development Regulations 2001, as amended,
- (d) the provisions of the European Union (Planning and Development) (Displaced Persons From Ukraine Temporary Protection) Regulations 2022,
- (e) the planning history of the site,
- (f) the nature of the current use of the Cube Building,
- (g) the pattern of development in the area,
- (h) the provisions of the Cork City Development Plan 2022-2028,
- (i) relevant case law, specifically Leitrim County Council and Dromaprop Ltd. [2024] IEHC 233, and
- (j) the submissions of Cherryinn Limited, Cork City Council, and the observations received,

AND WHEREAS An Coimisiún Pleanála has concluded that:

- (a) the temporary change of use of the basement, ground, first, second, and third floors of the Cube Building from office use to accommodate or support displaced persons or persons seeking international protection and associated works constitutes development as defined under Section 3(1)(a) of the Planning and Development Act 2000, as amended, and
- (b) on the basis of the information contained on the file, there is no evidence that the temporary change of use of the basement, ground, first, second, and third floors of the Cube Building from office use to accommodate or support displaced persons or persons seeking international protection and associated works is by or on behalf of the Minister for Children, Equality, Disability, Integration and Youth. In this regard the temporary change of use and associated works do not come within the scope of class 20F of schedule 2 Part 1 of the Planning and Development

Regulations 2001, as amended, and Section 4(1)(h) of the Planning and Development Act 2000, as amended.

NOW THEREFORE An Coimisiún Pleanála, in exercise of the powers conferred on it by Section 5(4) of the Planning and Development Act 2000, as amended, hereby decides that the temporary change of use of the basement, ground, first, second and third floors of the cube building from office to residential accommodation for International Protection Applicants, as per the provisions of Class 20(f) of Part 1 of Schedule 2 of the Planning and Development Regulations 2001, as amended, at The Cube Building, Monahan Road, Ballintemple, Cork is development and is not exempted development.

In deciding not to accept the recommendation of the Inspector that the proposed change of use and associated works would constitute development and exempted development, the Commission noted the commentary of the Inspector that no documentation was provided in relation to the requirement that the change of use was being carried out by or on behalf of the Minister, which is a specific requirement as set out in the legislation to enable a proposed change of use to come within the scope of Class 20(b). The Commission noted but did not share the view of the Inspector that 'notwithstanding, in practice it is only logical to assume that the occupation of the relevant floors of the building with displaced persons or persons seeking international protection would effectively be carried out on behalf of the Minister'. The Commission determined that the legislation is clear and it is not appropriate to rely on, surmise, or other assumption on this fact.

Furthermore, the Commission noted the comment of the Inspector, that the class [20(b)] does not require a supporting letter, or similar, to be provided and that notwithstanding the absence of supporting documentation from the Minister, '... the proposed use... would be consistent with the provisions of Column 1'. On this matter the Commission disagreed with the Inspector and

considered that the meaning of Class 20(b) can only be determined on a logical reading whereby any such exemption can only be by or on behalf of the Minister. If such a narrowing of the exemption was not intended by the legislature, then that phrasing would not likely have been inserted into the legislation. Equally, if any proposal for a Class 20(b) exemption was allowed to be confirmed merely by an implied assumption that it would effectively be by, or on behalf of, the Minister, this would dilute the appropriate meaning and applicability of the relevant legislation to the point of it not being capable of practical implementation.

The Commission also noted the expressed concerns of third parties to the proposed change of use, with regard to whether or not the detail of the change of use might lead to a traffic hazard by reference to the nature of activity that might arise at the basement area from a new introduced use here, in addition to the continuation of employment use within part of the subject building. While ordinarily this issue would merit at least further consideration, having regard to the substantive reasoning set out above, it was decided not to pursue this issue in the context of the current referral.

Judicial Review Notice

Judicial review of An Coimisiún Pleanála decisions under the provisions of the Planning and Development Act 2000 (as amended)

A person wishing to challenge the validity of a Commission decision may do so by way of judicial review only. Sections 50, 50A and 50B of the Planning and Development Act 2000, as amended, contain provisions in relation to challenges to the validity of a decision of the Commission.

The validity of a decision taken by the Commission may only be questioned by making an application for judicial review under Order 84 of The Rules of the Superior Courts (S.I. No. 15 of 1986). Sub-section 50(6) of the Planning and Development Act 2000 requires that any application for leave to apply for judicial review must be made within 8 weeks of the decision of the Commission, save for decisions made pursuant to a function transferred to the Commission under Part XIV of the Planning and Development Act 2000, where any application for to apply for judicial review must, as set out in sub-section 50(7), be made within 8 weeks beginning on the date on which notice of the decision of the Commission was first sent (or as may be the requirement under the relevant enactment, functions under which are transferred to the Commission, was first published). These time periods are subject to any extension which may be allowed by the High Court in accordance with sub-section 50(8).

Section 50A(3) states that leave for judicial review shall not be granted unless the Court is satisfied that (a) there are substantial grounds for contending that the decision is invalid or ought to be quashed and (b) that the applicant has a sufficient interest in the matter which is the subject of the application or in cases involving environmental impact assessment is a body complying with specified criteria.

Section 50B contains provisions in relation to the costs of certain judicial review proceedings in the High Court; pursuant to Section 50B(1), Section 50B applies to the following proceedings:

- (a) proceedings in the High Court by way of judicial review, or of seeking leave to apply for judicial review, of –
 - (i) any decision or purported decision made or purportedly made,
 - (ii) any action taken or purportedly taken,
 - (iii) any failure to take any action, pursuant to a statutory provision that gives effect to
 - I. a provision of the EIA Directive 85/337/EEC as amended to which Article 10a (as inserted by Directive 2003/35/EC) of that Directive applies,
 - II. the SEA Directive 2001/42/EC, or
 - III. a provision of the IPPC Directive 2008/1/EC to which Article 16 of that Directive applies, or
 - IV. Article 6(3) or 6(4) of the Habitats Directive; or
- (b) an appeal (including an appeal by way of case stated) to the Supreme Court from a decision of the High Court in a proceeding referred to in paragraph (a) or (b);
- (c) proceedings in the High Court or the Supreme Court for interim or interlocutory relief in relation to a proceeding referred to in paragraph (a) or (b).

The general provision contained in section 50B(2) is that in proceedings to which the section applies each party shall bear its own costs. The Court however may award costs against any party in specific circumstances. There is also provision for the Court to award costs of proceedings or a portion of such costs to an applicant, to the extent that the applicant succeeds in obtaining relief, against a respondent or notice party, or both, to the extent that the action or omission of the respondent or notice party contributed to the relief being obtained.

General information on judicial review procedures is contained on www.citizensinformation.ie.

Disclaimer: The above is intended for information purposes. It does not purport to be a legally binding interpretation of the relevant provisions and it would be advisable for persons contemplating legal action to seek legal advice.

Fógra faoi Athbhreithniú Breithiúnach

Athbhreithniú breithiúnach ar chinntí An Coimisiún Pleanála faoi fhorálacha na nAchtanna um Pleanáil agus Forbairt (arna leasú)

Ní fhéadfaidh duine ar mian leis nó léi agóid a dhéanamh in aghaidh bhailíocht chinneadh de chuid an Coimisiúin é sin a dhéanamh ach trí athbhreithniú breithiúnach. Tá forálacha in Alt 50, 50A agus 50B den Acht um Pleanáil agus Forbairt 2000, arna leasú, maidir le dúshláin i leith bhailíocht chinneadh an Coimisiúin.

Ní féidir bailíocht cinnidh arna ghlacadh ag an gCoimisiún a cheistiú ach amháin trí iarratas a dhéanamh ar athbhreithniú breithiúnach faoi Ordú 84 de Rialacha na nUaschúirteanna (S.I. Uimh 15 de 1986). Ceanglaíonn fo-alt 50(6) den Acht um Pleanáil agus Forbairt 2000 go gcaithfear aon iarratas ar chead chun iarratas a dhéanamh ar athbhreithniú breithiúnach a dhéanamh laistigh de 8 seachtaine ó dháta chinneadh an Coimisiúin, seachas cinntí a dhéantar de bhun feidhme aistrithe chuig an gCoimisiún faoi Chuid XIV den Acht um Pleanáil agus Forbairt 2000, i gcás nach mór aon iarratas ar chead chun iarratas a dhéanamh ar athbhreithniú breithiúnach, mar atá leagtha amach i bhfo-alt 50(7), a dhéanamh laistigh de 8 seachtaine ag tosú ar an data ar ar tugadh fógra faoi chinneadh an Coimisiúin ar dtús (nó mar a cheanglófar faoin achtú ábhartha, ar aistríodh feidhmeanna faoi chuig an gCoimisiún, a foilsíodh den chéad uair). Tá na tréimhsí arna seo faoi réir aon síneadh a fhéadfaidh an Ard-Chúirt a cheadú de réir fho-alt 50(8).

Sonraítear in alt 50A(3) nach ndeonófar cead d'athbhreithniú breithiúnach mura bhfuil an Chúirt sásta (a) go bhfuil forais shubstaintiúla ann chun a áitú go bhfuil an chinneadh neamhbhaifí nó gur choir é a chur ar neamhní agus (b) go bhfuil leas leordhóthanach ag an iarratasóir san ábhar is ábhar don iarratas nó i gcásanna a bhaineann le measúnú tionchair timpeallachta ar comhlacht é a chomhlíonann critéir shonraithe.

Tá forálacha in alt 50B maidir le costais imeachtaí athbhreithnithe bhreithiúnaigh áirithe san Ard-Chúirt; de bhun Alt 50B(1), tá feidhm ag alt 50B maidir leis na himeachtaí seo a leanas:

- (a) imeachtaí san Ard-Chúirt mar athbhreithniú breithiúnach, nó trí chead a lorg chun iarratas a dhéanamh ar athbhreithniú breithiúnach, ar -
 - (i) aon chinneadh nó chinneadh airbheartaithe a rinneadh nó a airbheartaítear a rinneadh,
 - (ii) aon ghníomh a rinneadh nó a airbheartaítear a rinneadh,
 - (iii) aon mhainneachtain aon ghníomh a dhéanamh, de bhun forála reachtúla a thugann éifeacht
 - I. d'fhoráil de Threoir EIA 85/337/CEE arna leasú lena mbaineann Airteagal 10a (arna cur isteach le Treoir 2003/35/CE) den Treoir sin,
 - II. do Threoir SEA 2001/42/CE, nó
 - III. d'fhoráil de Threoir IPPC 2008/1/CE a bhfuil feidhm ag Airteagal 16 den Treoir sin maidir léi, nó
 - IV. d'Airteagal 6(3) nó 6(4) den Treoir maidir le Gnáthóga; nó
- (b) achomharc (lena n-áirítear achomharc de chás ráite) chun na Cúirte Uachtaraí i gcoinne breithe ón Ard-Chúirt in imeacht dá dtagraítear i mír (a);
- (c) imeachtaí san Ard-Chúirt nó sa Chúirt Uachtarach le haghaidh faoisimh eatramhach nó idirbhreitheach i ndáil le himeacht dá dtagraítear i mír (a) nó (b).

Is i an fhoráil ghinearálta atá in alt 50B(2) ná go n-íocfaidh gach páirtí in imeachtaí lena mbaineann an t-alt a chostais féin. Féadfaidh an Chúirt, áfach, costais a dhámhachtain in aghaidh aon pháirtí in imthosca sonraithe. Tá foráil ann freisin go ndéanfaidh an Chúirt chostas imeachtaí nó cuid de chostais den sort sin a dhámhachtain d'iarratasóir, a mhéid a eiríonn leis an iarratas faoiseamh a fháil, i gcoinne freagróra nó páirtí fógra, nó an dá cheann, a mhéid a chuir an chaingean nó an t-easnamh ar thaobh an fhreagróra nó an pháirtí fógra go páirteach leis an bhfaoiseamh atá á fháil.

Tá eolas ginearálta ar nósanna imeachta athbhreithnithe bhreithiúnaigh ar fail anseo a leanas, www.citizensinformation.ie.

Séanadh: Mar eolas atá an méid thuas ceaptha. Ní airbheartaíonn sé a bheith ina léirmhíniú ceangailteach ó thaobh dlí ar na forálacha ábhartha agus bheadh sé inmholta do dhaoine atá ag smaoineamh ar chaingean dlí comhairle dlí a lorg.

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.

It is a statutory objective of the Commission to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Commission that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Commission hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to a current significant backlog of cases. The Commission regrets the delay in determining this case.

The Commission now intends to determine the above appeal before 5th November 2025.

The Commission will take all such steps as are open to it to ensure that the appeal is determined before that date.

1.3 The Question Referred

As per the application received from Cherryinn Limited, owners of the property, the question referred here, as set out by the applicant, is:

- 1) Whether the change of use of the basement, ground, first, second, and third floors of the Cube building from office use to residential accommodation for International Protection Applicants as per the provisions of class 20F of Part 1 of schedule 2 of the Planning and Development Regulations 2001 (as amended) is development and, if so, is it exempted development?.**

Following a review of the documentation submitted, including the further information, the relevant exempted development provisions and the planning history on site is proposed that the following definition would be more appropriate:

- 1) Whether the temporary change of use of the basement, ground, first, second, and third floors of the Cube building from office use to residential accommodation for International Protection Applicants as per the provisions of class 20F of Part 1 of schedule 2 of the Planning and Development Regulations 2001 (as amended) is development and, if so, is it exempted development?.**

1.4 The Referral Site

For ease of reference, the lands which are the subject of this referral are referred to as 'the referral site' in this referral.

The referral site is located on Monahans Road, a predominantly commercial/industrial area to the South of the River Lee in the South Docklands area of Cork City. It consists of a four-storey, over basement business and technology office building.

The referral site is zoned, in the *Cork City Development Plan 2022-2028 (CCDP)* as **ZO 4 - Mixed Use Development zoning** where it is an objective: *To provide and promote a mix of residential and other uses to ensure the creation of a vibrant and sustainable urban area.*

2. Background

2.1 General Background

The subject referral to the Board is subsequent to a request for a Planning Authority declaration on the question as set out in Section 1.3 above. The request for declaration is recorded under Cork City Council Ref: R918/25. It should be noted that the referral is a 1st Party referral.

The application and cover letter, submitted to Cork City Council on 20th February 2025, along with Further Information submitted on 3rd April 2025 by McCutcheon Halley Planning Consultants. are attached hereto as **Appendix 2**.

Subsequent to receiving the Section 5 determination application Cork City Council requested Further Information as follows:

1. In relation to Class 20F the following is noted:

CLASS 20F

Temporary use by or...

The intention of the request is not clear as the question in Section 3 of the application form does not indicate that the proposed use is of a temporary nature only, and it is considered that only a Temporary change of use may be applied for under Class 20F.

The applicant is requested to clarify the details of the question posed to the Planning Authority, namely, that the proposal is for a Temporary Change of use only (in accordance with the requirements of Class 20F of Part 1 of schedule 2 of the Planning and Development Regulations 2001 (as amended)).

2. It is noted that the question in Section 3 of the application form also includes for the change of use of the basement floor area. It is further noted however that the cover letter submitted indicates that the basement is not proposed for a change of use. Additionally, no proposed drawings for the change of use of the basement have been submitted.

The applicant is requested to clarify, and revise the question posed to the Planning Authority in relation to whether the basement area is proposed for a change of use and, if so, proposed floor plans for this area should be provided.

Further Information submitted on 3rd April 2025 by McCutcheon Halley Planning Consultants confirming that the proposed change of use is 'Temporary' in nature and that no changes are proposed to the Basement of the building.

As part of the Further Information Request an Advisory Note was attached to the Request for Further Information in relation to the location of the referral site within the middle and outer Seveso Consultation Zone associated with Goulding's Chemicals on Centre Park Road, as follows:

1. It is noted that the existing building comes within the Seveso Consultation Zone associated with Goulding's Chemicals on Centre Park Road. It would appear that the building is located partially within the middle and outer consultation zones. Some development types are restricted in these consultation zones in accordance with HSA guidance.

The applicant is advised to engage with the HSA with regards to the location and type of proposed development to ensure that the proposed development is acceptable within these zones.

Further Information submitted on 3rd April 2025 by McCutcheon Halley Planning Consultants confirmed that the applicants have made contact with the HSA regarding same.

Copies of this correspondence are set out in **Appendix 3**.

Cork City Development Plan 2022-2028

The Cork City Development Plan 2022-2028 (CCDP) was made by the elected members of Cork City Council on 10 June 2022 and came into effect on 8 August 2022.

Zoning Objective ZO-04 - Mixed Use Development zoning where it is an objective: *To provide and promote a mix of residential and other uses to ensure the creation of a vibrant and sustainable urban area.*

3. Grounds of Referral

The planning authority requests that the board determine whether the change of use proposed to the referral site, are exempted development. It is considered that the key questions are:

- (1) Whether the temporary change of use of the basement, ground, first, second, and third floors of the Cube building from office use to residential accommodation for International Protection Applicants as per the provisions of class 20F of Part 1 of schedule 2 of the Planning and Development Regulations 2001 (as amended) is development and, if so, is it exempted development.

4. Environmental Assessment

Screening for Environmental Impact Assessment

Having regard to the contents of Article 103 (as amended by Article 14 of the Planning and Development (Amendment) (No 3) Regulations 2011) and Schedule 7 of the Planning and Development Regulations 2001 (as amended) it is considered that the proposed development by reason of its nature, scale and location would not be likely to have significant effects on the environment. Accordingly it is considered that an environmental impact statement is not required to be submitted.

Screening for Appropriate Assessment

Section 177U (9) of the Act requires planning authorities to screen applications for a section 5 declaration for appropriate assessment. The provisions of the *Habitats Directive*, the *Appropriate Assessment Guidelines for Planning Authorities 2009* (revised 2010) and the Act are noted. The relevant European sites are the Cork Harbour SPA (site code 004030) and the Great Island Channel cSAC (site code 001058). Having regard to the location of the proposed development site relative to these European sites and related watercourses and to the nature and scale of the proposed development it is considered that the proposed development would not affect the integrity of the European sites referred to above. Accordingly it is considered that appropriate assessment is not required.

5. Conclusion

The planning authority looks forward to the Board's consideration and determination of this referral.

Please do not hesitate to contact this office should any further information be required.

Dear Sir or Madam,

Thank you for your email dated 20/03/2025 requesting further information and 01/04/2025 clarifying that a response from the HSA is not required in order to proceed with the application. In response to the request for further information;

1. I have enclosed a revised application form clarifying that the proposed change of use is 'temporary'.
2. There are no changes proposed to the basement layout, therefore please refer to the existing floor plans.

We have written to the HSA requesting clarification that the proposal for the site complies with their health and safety policy. I have enclosed correspondence to reflect this for your records.

To clarify, enclosed is;

- Revised application form,
- Copy of correspondence showing email sent to HSA and copy of email showing response from HSA.

I trust you will find the enclosed satisfactory.

RE: Section 5 Request.

R918/25: The Cube Building, Monahan Road, Ballintemple

A Chara,

With reference to your request for a Section 5 Declaration at the above-named property, received on the 20th of February 2025, I wish to advise as follows:

The Planning Authority has been tasked with determining whether the temporary change of use of the basement, ground, first, second and third floors of the Cube Building from office use to accommodate or support displaced persons or persons seeking international protection (Class 20F) is exempted development.

It is recommended that the following **FURTHER INFORMATION** be sought:

1. In relation to Class 20F the following is noted:

CLASS 20F
Temporary use by or....

The intention of the request is not clear as the question in Section 3 of the application form does not indicate that the proposed use is of a temporary nature only, and it is considered that only a Temporary change of use may be applied for under Class 20F.

The applicant is requested to clarify the details of the question posed to the Planning Authority, namely, that the proposal is for a Temporary Change of use only (in accordance with the requirements of Class 20F of Part 1 of schedule 2 of the Planning and Development Regulations 2001 (as amended)).

We are Cork.

Comhairle Cathrach Chorcaí

Cork City Council

Halla na Cathrach, Corcaigh - City Hall, Cork - T12 T997

2. It is noted that the question in Section 3 of the application form also includes for the change of use of the basement floor area. It is further noted however that the cover letter submitted indicates that the basement is not proposed for a change of use.

Additionally, no proposed drawings for the change of use of the basement have been submitted.

The applicant is requested to clarify, and revise the question posed to the Planning Authority in relation to whether the basement area is proposed for a change of use and, if so, proposed floor plans for this area should be provided.

It is also noted that the existing building comes within the Seveso Consultation Zone associated with Goulding's Chemicals on Centre Park Road. It would appear that the building is located partially within the middle and outer consultation zones. Some development types are restricted in these consultation zones in accordance with HSA guidance.

The applicant is advised to engage with the HSA with regards to the location and type of proposed development to ensure that the proposed development is acceptable within these zones.

It is thus considered that **FURTHER INFORMATION** is required to process the application.

Is mise le meas,

Anthony Angelini
