Section 5 Request:

**RE: R923/25. 14 & 14A, St Nicholas Square, BallymacThomas Street,
Cork City.**

A Chara,

With reference to your request for a Section 5 Declaration at the above-named property, received on the 10th of March 2025, I wish to advise as follows:

The question placed before the Planning Authority was whether the change of use from guesthouse to residential accommodation for protected persons accommodating international protection applicants was exempted development.

The Planning Authority's conclusions are listed below:

- a) The proposal is for a 'change of use of the commercial portion of the building into a direct provision centre to provide accommodation to internal applicants.'. The proposal comprises a 'material change in the use of any land or structure' and therefore the proposed change of use constitutes development within the meaning of the Act.

The proposed change of use includes for internal works to the buildings (internal partitions, new connections etc.). it is unclear if any external changes are proposed. This information could be requested by way of further information.

The proposal includes an act of construction and therefore falls within the definition of "works". Therefore, the proposal constitutes development within the meaning of the Planning and Development Act, 2000.

We are Cork.

- b) No evidence has been submitted by the applicant to demonstrate that the site has been in use as 'a hotel, motel, hostel, guesthouse, holiday accommodation, convent, monastery, Defence Forces barracks or other premises or residential institution providing overnight accommodation' (the list of uses set out in Class 14(h) of the Planning and Development Regulations for which a change of use can occur to provide accommodation protected person) and it is considered that the proposed change of use does not fall within the scope of Class 14H and is therefore not exempted development.

The documentation submitted with the application also refers to accommodating International Applicants. It is not clear from the information provided if the proposed accommodation is being provided for or on behalf of the Department of Children, Equality, Disability, Integration and Youth. This information could be requested by way of further information. However, as the proposed change of use is considered not to be exempt, this information will not be requested.

6. ASSESSMENT

The purpose of this report is to assess whether or not the matter in question constitutes development and whether it falls within the scope of exempted development. Matters pertaining to the acceptability of the proposal in respect of the proper planning and sustainable development of the area is not a consideration under section 5.

6.1 Development

The first issue for consideration is whether or not the matter at hand is 'development'.

'Development' as defined in the Act (3)(1) comprises two possible chief components: *'(a) the carrying out of any works in, on, over or under land or the making of any material change in the use of any land or structures situated on land, or (b) Development within the meaning of Part XXI.'*

The proposal is for a *'change of use of the commercial portion of the building into a direct provision centre to provide accommodation to internal applicants.'* The proposal comprises a *'material change in the use of any land or structure'* and therefore the proposed change of use constitutes development within the meaning of the Act.

The proposed change of use includes for internal works to the buildings (internal partitions, new connections etc.). it is unclear if any external changes are proposed. This information could be requested by way of further information.

CONCLUSION:

Is Development.

6.2 Exempted development

The next issue for consideration is whether or not the matter at hand is exempted development. Section 2(1) of the Act defines 'exempted development' as having 'the meaning specified in section 4' of the Act (which relates to exempted development).

Section 4(3) of the Act states that exempted development either means development specified in section 4(1) or 4(1)(a) or development which is exempted development having regard to any regulations under section 4(2).

I consider that the proposal comes within **subsection (2) of section 4.**

Section 4(2)

It is therefore necessary to consider whether the proposed change of use comes under the scope of section 4(2) (i.e. exemptions specified in the Regulations), having regard to the use of the word 'or' in section 4(3).

The applicant is requesting an exemption for a change of use in accordance with the exemption Class 14H of the Planning and Development Regulations. The proposal is assessed below against Class 14H and its conditions and limitations.

Class 14H read as follows:

Development consisting of a change of use — (H) from use as a hotel, motel, hostel, guesthouse, holiday accommodation, convent, monastery, Defence Forces barracks or other premises or residential institution providing overnight accommodation, or part thereof, or from the change of use specified in paragraph (i) of the said premises or institution, or part thereof, to use as accommodation for protected persons.

Protected Persons is defined in the Planning and Development Regulations as follows:

"protected person", for the purposes of Schedule 2, means

- (a) a person who has made an application to the Minister for Justice and Equality under the Refugee Act of 1996 or the Subsidiary Protection Regulations 2013 (S.I. No. 426 of 2013),*
- (b) a person who falls to be considered or has been considered under section 3 of the Immigration Act of 1999, or*
- (c) a programme refugee within the meaning of section 24 of the Refugee Act of 1996";*

It is stated that the subject site has been in commercial use with an element of residential accommodation. The plans submitted with this section 5 indicate that there are 2 no. residential apartments at second floor level of No. 14 and the plans submitted with planning application ref. 14/36244 indicate that the remainder of the site is commercial use. The exact nature of the commercial use is unclear. The plans submitted with 14/436244 indicate that the site contained a number of store rooms and a showroom.

No evidence has been submitted by the applicant to demonstrate that the site has been in use as 'a *hotel, motel, hostel, guesthouse, holiday accommodation, convent, monastery, Defence Forces barracks or other premises or residential institution providing overnight accommodation*' (the list of uses set out in Class 14(h) for which a change of use can occur to provide accommodation protected person) and it is considered that the proposed change of use does not fall within the scope of Class 14H and is therefore not exempted development.

The documentation submitted with the application also refers to accommodating International Applicants. It is not clear from the information provided if the proposed accommodation is being provided for or on behalf of the Department of Children, Equality, Disability, Integration and Youth. This information could be requested by way of further information. However, as the proposed change of use is considered not to be exempt, this information will not be requested.

CONCLUSION:

Is not exempted development.

7. ENVIRONMENTAL ASSESSMENT

7.1 Screening for Environmental Impact Assessment

Having regard to the contents of Article 103 and Schedule 7 of the Planning and Development Regulations 2001 (as amended) it is considered that the proposed development by reason of its nature, scale and location would not be likely to have significant effects on the environment. Accordingly, it is considered that an environmental impact statement is not required.

7.2 Screening for Appropriate Assessment

Section 177U (9) of the Act requires planning authorities to screen applications for a section 5 declaration for appropriate assessment. The provisions of the *Habitats Directive*, the *Appropriate Assessment Guidelines for Planning Authorities 2009* (revised 2010) and the Act are noted. The relevant European sites are the Cork Harbour SPA (site code 004030) and the Great Island Channel cSAC (site code 001058). Having regard to the location of the proposed development site relative to these European sites and related watercourses and to the nature and scale of the proposed development it is considered that the proposed development would not affect the integrity of the European sites referred to above. Accordingly, it is considered that appropriate assessment is not required.

8. RECOMMENDATION

In view of the above and having regard to —

- Sections 2, 3, and 4 of the Planning and Development Act 2000 as amended, and
- Articles 6 and 9 and Class 14H of Part 1 of Schedule 2 of the Planning and Development Regulations 2001 (as amended)

the planning authority considers that —

the change of use of the commercial portion of a building into a direct provision centre to provide accommodation to international applicants at 14, and 14a Saint Nicholas Square, Ballymachthomas Street, Cork City **IS DEVELOPMENT and IS NOT EXEMPTED DEVELOPMENT.**
