EVENT GUIDE

Cork on a Fork Fest is a celebration of everything that makes Cork's gastronomy scene so unique - from our talented chefs to our world-class producers, our vibrant hospitality and nightlife scene, and our deep rooted food traditions.

GET A TASTE OF CORK'S UNIQUE FOOD CULTURE

Expect exclusive dining experiences, street feasts, food trails, free cooking demos, talks, a children's programme, and plenty of festival fun throughout Cork City over 5 days.

As a farm-to-fork destination since its origins as a trading port in the 10th century, Cork has led the way in Ireland's modern speciality food movement and has more artisan producers than anywhere else in the country. From Atlantic seafood and artisan cheeses to spiced beef and tripe and drisheen, this is a city where food tells a story.

Organised by Cork City Council in partnership with local hospitality businesses.

To book, click on the event name below or see www.corkonaforkfest.ie for more.
